

CALLING ALL PARENTS

WE NEED YOU TO VOLUNTEER AT OLGC SCHOOL!

With busy lives, it can be hard to find time to volunteer. However, the benefits of volunteering are enormous to you! At OLGC Parish School we value parents taking an active role at our school. God calls us to use our personal gifts to serve others (1Peter 4:10). In addition, there is evidence parent engagement increases student achievement. OLGC families contribute a minimum of 20 DOVES (Dedicated Official Volunteers Emanating Spirit) hours per year. Families who have not logged their volunteer time by June 1, will be charged \$15 per hour through their FACTS account. Volunteer opportunities can be found on our website at <https://school.olgcp parish.net/parent-involvement/>
