Dear OLGC School Families,

It's hard to believe that it has been six weeks since we saw each other at our Distance Learning Material pick-up. I miss everything about OLGC and I know you do, too. I miss the kids, the staff, the families, the relationships, being in classrooms, laughing with the kids and staff, the comfort of a home away from home, celebrating Mass as a family, the joy of the Holy Spirit that radiates through our hallways, the list could go on and on! The reality is all those things still exist. We are just having to be creative and stay connected online. If you join a classroom Zoom meeting, you will see that the joy, stories, laughing, and belonging is still there! God is good and providing hope for us during this difficult time. Our children are experiencing an unprecedented piece of history and your family is strengthening the Domestic Church. Although the classrooms and hallways of OLGC remain empty, our collective hearts remain open. I can't wait until we are together again. (Although, I'm afraid I will have more gray hairs when you see me next!)

Our teachers and staff put together a video message for your families that we hope you enjoy (<https://tinyurl.com/ydd2n66u>) Be sure to watch for the special announcement from Mrs. Pollard!

May God bless your family with His peace as we continue to navigate these uncharted waters together in the days and weeks ahead. May we lean on each other and allow God to strengthen our school family. God bless you!

In Christ,
Melissa Hunt, Principal

Mission Statement:

We exist to offer a life-changing encounter with Jesus and equip leaders to transform the culture.
