

ONE FAITH

OLGC PARISH SCHOOL STAFF DISCERNMENT POINTS

HIS ASK OF US

- I believe in the mission and vision of the Archbishop to renew and reinvent our Catholic schools and radically overhaul our schools.
- My relationship with God, Father, Son, and Holy Spirit, is the defining center of my life.
- I know what it means to be a missionary in my field of expertise, see myself as one, or I am willing to become one.
- I will do whatever it takes to build a cohesive team, culture of prayer, and regularly evangelize and disciple each other.
- I will be committed to having a growth mindset in my professional, spiritual, and personal life knowing that God wants me to continually grow and improve.
- I will be dedicated in using *Leader in Me* to foster leadership amongst staff, students, and school community and to assist in showcasing all of our God-given gifts.
- I will apply the goal-setting process as a way to improve and grow.
- I will be committed to my professional education to learn best practice techniques and strategies, driven by data, to meet all of my students' needs as best as I can.
- I will commit to trying/improving upon my small group teaching knowing that this is the best avenue to differentiate within a wide spectrum of student learners.
- I will accept and take on responsibilities to help improve our school and help us move toward our mission.
- I will commit to helping create an environment of joy and support and actively work against a culture of gossip, criticism, complaint, and division.
- I will be an active participant in forming a healthy team, where there is true vulnerability, great trust, healthy conflict, accountability, a commitment to results, and high morale allowing our team to focus on evangelizing, discipleship, and worship.
