

Room 20 7th Grade Homeroom/Junior High Science

This is OLGJ Junior High: We exist to offer a life-changing encounter with Jesus and transform the culture.

CLASS MISSION STATEMENT

In 7th grade, we will follow Jesus's example by being kind and respectful to everyone. We will strive to do our best while having fun!

SAMPLE DAILY SCHEDULE

7th grade explores molecules to organisms; Interactions, Energy and Dynamic Relationships in Ecosystems; Heredity; and Biological Evolution. 8th grade explores Structure and Properties of Matter; Chemical Reactions; Forces and Interactions; Energy; Waves and Electromagnetic Radiation. Learning is done through whole group and small group instruction, hands-on labs and projects, and partner work.

SPECIALS OFFERED

- We have 9 electives to choose from including extra gym, art, band, and theatre.
- We take Spanish 2 times a week.
- We also have gym one time a week.

HOW WE UNLEASH THE GOSPEL

We unleash the gospel: We have religion class at the end of the days without Mass, we have Masses, adoration, Pro-life club once a month, and discipleship groups on Thursday. We do service projects regularly including food drives, clothes drives, and collecting presents for the poor at Christmastime.

LEADER IN ME

The *Leader in Me* program helps students connect virtues with our Catholic Identity, discover the gifts God gave them, and become leaders ready to transform the culture.

TECHNOLOGY

- 1:1 iPads for K-8
- *Clevertouch* boards in classrooms
- Computer adaptive assessment platform so teachers may provide tailored instruction based on student growth and achievement
