

PRE-K - 3RD GRADE

SUMMER HOMEWORK

READING

Recommended Minutes a Day:

PreK-1st grade = 10 min, 5x/week*

*Read to self or read to students depending on level

2nd Grade = 20 mins, 5x/week

3rd grade = 30 mins, 5x/week

MATH

Grades Y5-3 should practice math 10-15 minutes at least 5x/week to prevent summer
Check out these websites for practice.

Prodigy.com: Grades K-8

Boddle: Grades: K-6

Tools for Reading Practice:

1. Visit the Plymouth Library.
2. Vary reading activities with a choice board for options.
3. Use Online websites to practice reading fluency and grow reading stamina. Simply go to the websites, create an account as a parent/ or log in with their school account, and select your student's grade level to begin.

Some good websites include:

- Raz Kids platform Grades K-3 (get login from current teacher)
- Sign up to read Epic Books Grades K-8

Additional Resources

Math: Flash cards addition/subtraction and multiplication/division

Paper Workbooks: Academic Enrichment Workbooks
